Samer — The Observer

Every hero has a talent… and you have a part to play.

WAMD HERO / 04

Samer

The Observer

Samer spots details that nobody else notices.

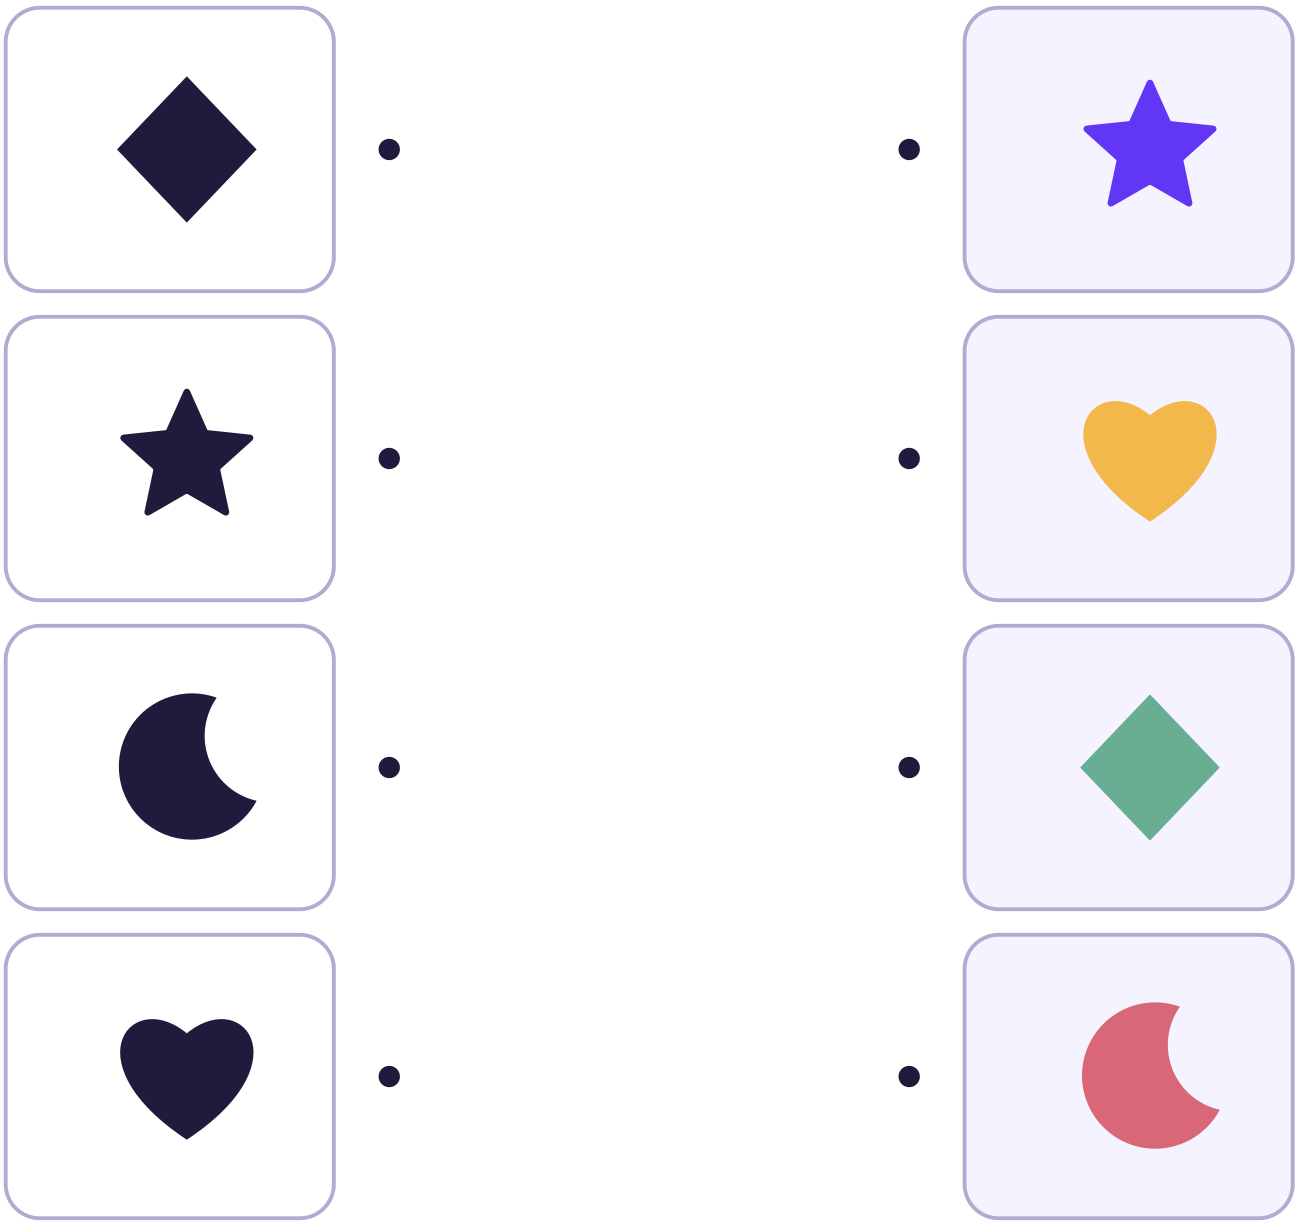
Draw something small you discovered around you.

Look closely… little details matter!

Start with your idea, then finish the next two challenges to earn Samer’s star.

Match the shadows

Match each shape to its shadow. Look at the outline, not the color.



Finish the coloring and shadows, then color Nader’s star. On to Fares’s castle!
